

STEP 1:

Find a quiet location where you can sit, stand, or lie down. Keep in mind that it might not be appropriate to lie down at work—it depends on the location. In most cases, you will need to sit down somewhere.

STEP 2:

Close your eyes and let your body just rest in a comfortable position.

STEP 3:

Slowly breathe in and out. Repeat this 4 times.

STEP 4:

Scrunch your face and hold it. Slowly count to ten in your head.
