

JobTIPS

Transportation - Having Someone Else Drive You

1. Make sure that the person who is driving you knows what time the interview starts.
2. Talk to this person about how long it will take them to drive you to the interview. Make sure that you have given them printed out directions (from Mapquest) or an address to put into their GPS.
3. Agree on a time for them to take you to the interview.
4. Remember that travel time to the interview might be longer at certain times of the day ("rush hour") than at other times – so if you are trying to get to an interview during rush hour, leave plenty of extra time.
5. Be sure to thank them for helping you out!
