

“Are you being sarcastic?”

	Truth Statement	Sarcastic Statement
What?	What is said = what is meant	What is said = opposite of what is meant
Why?	To be clear, exact, direct	To joke around nicely OR To bully and tease
How?	Body Language + Facial Expression + Voice = what is being said	Body Language + Facial Expression + Voice does not = what is being said
I'm not sure	Ask the person.
